**West cape Howe
Shiraz Viognier 2005**

17th July 2007

From Denmark in Western Australia , West Cape Howe's wines are often well priced for the quality. This blend opens with soft plum jam aromas, and the viognier influence is subtle, giving light floral and spicy notes. It is satiny with medium body. Fine tannins support a fragrant finish.

Ageing? Drink over four years

Food ideas? Veal chops with sage , roast chicken with mushrooms
