## West Cape Howe Chardonnay Epicure

Wednesday 30<sup>th</sup> July 2008

★★★★ 1/2

“From Denmark in the picturesque far south of Western Australia, this chardonnay is complex and subtle with harmonious integration on nose and palate. Citrus, white peach and nutty notes seamlessly combine with restrained oak in a tangy, likeable style with good backbone. 13% alcohol.”

Ageing: six months to three years

Food idea: crab cakes
