Winter 2006

2006 WEST CAPE HOWE SAUVIGNON BLANC

The long, cool, drawn-out 2006 vintage in WA has resulted in some extra-intense white wines such as this vibrant yet delicate savvy from Great Southern. Not overly aromatic, it has incredible, incisive acidity in the mouth, with nettle-like greenness and a lingering passionfruit mouth-perfume on the finish. 12 per cent alc.
